About us

We believe in delivering the best toys to the children all over the world basing on three key principles: **safety, quality and great play value**. These three keys principles are what governs our business. We have 20 years' experience in making wooden toys and are proud to say our toys has always been in line with the international standard. And, classic is extending critical partnerships to different countries all over the world.

These trusting relationships give us the confidence to grow steadily with the vision of making better toys. We will continue to provide quality wooden toys and seek for new partnerships to build a better, brighter future.

Brand's History

Awards

Quality & Safety

We are a wooden company. We use mainly a sustainable material that is coming from nature. We practice to make environmentally safe production process to provide a safe and clean world for our children to grow up in.

At Classic International, we set the bar high for quality. We know that your children deserve only the best toys. We ensure this with our rigorous quality check process.

We strictly follows the international standard include ISO 9001: 2000 Quality Management System, EN and ASTM standards for toys. In addition, we have been certified by ICTI.

Till now, our products have been supplied to children all over the world. We have been trusted by companies such as Aeon, Barn kids, Lakeshore Hamleys and so many other independent stores all over the World. With our toys you can be sure of quality for years to come.

During manufacturing we put each of our toys through demanding testing so that our customers, parents, and children can have toys that are high quality, safe, and most importantly fun!

A red and white LEGO Fire Engine (set 3807) is shown. The engine has a white body with red accents, including the word 'FIRE' on the side. It has two large red wheels with white hubcaps and a smaller red wheel at the back. A white ladder is attached to the side, and a red fire hose is visible. The set number '3807' and the price 'P71' are printed in the top right corner. The dimensions '36 x 24 x 8 cm' and '14.2" x 9.4" x 3.1"' are listed below the engine. A barcode is also present at the bottom right.
